

Paolo Beccaria appointed Chief Financial Officer of the Gefran Group

Provaglio d'Iseo (BS), 20 June 2022 – Paolo Beccaria is the new Chief Financial Officer of the Gefran Group.

Brescia-born, 46 years old, graduated in Business Administration at the Free University Institute 'Carlo Cattaneo' (LIUC) in Castellanza (Varese), Masters in Economics and Management of Small and Medium Businesses, Beccaria has a great deal of managerial experience in Brescia's manufacturing industry.

After gaining initial experience in consulting at Deloitte, he actively entered the industrial world as a financial controller at VTC Synco (Vita Group) before holding the role of Administrative Director at MarFran (Corte Franca, Brescia).

From 2013 to the present day, he has held the position of CFO at RWM Italia Spa (Rheinmetall Group) in Ghedi, Brescia.

Paolo Beccaria will take up the position of Chief Financial Officer of the Gefran Group on 20 June.

"I'm joining a company that has built a solid position within the international markets of reference, demonstrating an uncommon capacity for innovation and growth, even in unfavourable contexts", commented Paolo Beccaria. "I am honoured by this appointment and by the possibility of using my experience to contribute to the direction in which the group is heading".
