

NOTICE OF COMPLETION  
AND  
AUTHORIZATION TO APPLY THE UL MARK

2014-02-21

Gefran Spa  
Mr. EZIO MAFFI  
Via Sebina 74  
Provaglio D'iseo Brescia 25050, It

Our Reference: File E243386 Vol. 1 Sec. 5 Project Number 4786275859  
Your Reference: N/A  
Project Scope: USL/CNL – Switches industrial control - Solid state relays.  
Revision on File E243386 Vol. 1 Sec. 5 related to the introduction of a custom connector on V Line input on GTF/GFW Series. Upgrade of the input voltage rating to 690Vac and addition of alternate components.

Dear Mr. EZIO MAFFI:

Congratulations! UL's investigation of your product(s) has been completed under the above Reference Number and the product was determined to comply with the applicable requirements. This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at authorized factories under UL's Follow-Up Service Program. To provide your manufacturer(s) with the intended authorization to use the UL Mark, you must send a copy of this notice to each manufacturing location currently authorized under File E243386 Vol. 1 Sec. 5

Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent in the near future. Until then, this letter authorizes application of the UL Mark for 90 days from the date indicated above.

Additional requirements related to your responsibilities as the Applicant can be found in the document "Applicant responsibilities related to Early Authorizations" that can be found at the following web-site:  
<http://www.ul.com/EAResponsibilities>

Any information and documentation provided to you involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

We are excited you are now able to apply the UL Mark to your products and appreciate your business. Feel free to contact me or any of our Customer Service representatives if you have any questions.

Very truly yours,

Giovanni Borrelli
