

SOSTANZE CANDIDATE NEI PRODOTTI GEFRAN (Reg. REACH) **CANDIDATE LIST SUBSTANCES IN GEFRAN PRODUCTS (Reg. REACH)**

Al fine di promuovere gli obiettivi del Regolamento Europeo REACH n.1907/2006, Gefran ha messo a punto un processo di monitoraggio e valutazione delle sostanze chimiche contenute negli articoli.

In order to promote the objectives of the REACH European Regulation n.1907 / 2006, Gefran has developed a process for the monitoring and evaluation of chemical substances include in articles.

Con il presente documento, Gefran intende offrire ai propri clienti una panoramica dei prodotti contenenti sostanze candidate SVHC in concentrazione superiore allo 0,1% in peso.

With this document, Gefran intends to offer to its customers an overview of products containing SVHC candidate substances in concentrations greater than 0.1% by weight.

La lista delle sostanze candidate viene pubblicata dall'European Chemicals Agency (ECHA) e viene aggiornata con nuove sostanze ogni sei mesi.

The candidate list is published by the European Chemicals Agency (ECHA) and is updated with new substances every six months.

Provaglio d'Iseo, 26/08/2022
